Though JUSRES offers publication of various scientific articles on every area and specialization related to Science and Technology. Some of them are listed below: (There are only few subjects are mentioned, this list does not cover all the subjects)

Miscellaneous Applied Science: Botany, Biochemistry, Bioinformatics, Biotechnology, Chemistry, Computer Science, Dentistry, Ecology, Engineering, Economics, Ethnobiology, Food Science, Geology, Health Science, History, Horticulture, Information Technology, Linguistics, Mathematics, Microbiology, Molecular Biology, Nutrition, Pharmacy, Phytochemistry, Physical Education, Physics, Social Science, Sports Science, Veterinary Science and Zoology

Agriculture: Agriculture Biology and related fields

Mechanical Engineering: Aerospace Engineering, Acoustical engineering, Manufacturing Engineering, Thermal Engineering, Vehicle Engineering, Tribology, Surface Engineering, CAD/CAM, Design Engineering, Refrigeration & Air-Conditioning

Civil Engineering: Environmental Engineering, Geotechnical Engineering, Structural Engineering, Transport Engineering, Environmental Engineering

Electrical Engineering: Optical Engineering, Power Engineering

Computer Engineering: Computer Science and Engineering, Information Technology

Electronic Engineering: All relevant fields

Chemical Engineering: Process Engineering, Molecula Engineering, Materials Engineering, Biomolecular Engineering

Interdisciplinary Fields: Agricultural Engineering, Applied Engineering, Biological Engineering, Building services Engineering, Energy engineering, Industrial Engineering, Mechatronics, Nanoengineering, Nuclear Engineering, Petroleum Engineering, Robotics, Mathematics, Physics, Chemistry, Management Science

You may submit your article even if you don't find your subject in above list there are only few major specialization are mentioned.

➤ **What are the other services JUSRES provide?**

Association with dedicated and well qualified members of editorial board, JUSRES provides a very beneficial service to authors i.e. Scientific Writing. Sometimes authors may suffer the lack of benefit of their articles as they must have indeed. Because of insufficient writing in and manner of presentation, article may not get the actual benefit or recognition. As the need of global readership all the contents of the articles must be self explanatory and weaved to present the outcome of research in best possible manner. Scientific Writing is nothing lesser than an art. If you think that your article lacks sound Technical Writing and accuracy in grammar and language, we can make it upto the mark. For more detail please write us at mageditor@jusres.com

➤ **Is Scientific writing services have any cost?**

Yes, this service has a requisite fee which is decided as per the work required for the preparation of article. JUSRES just provides a platform to authors to meet the well qualified Technical Writers and to avail their benefit.
